### **Raffle Prize Questions**

- 1) Substitute A25 reports to the table for the first time with approximately one minute remaining in the second quarter and is beckoned onto the court. A25 plays the remainder of the second quarter. During halftime intermission, the official scorer realizes A25 is not listed in the scorebook and informs the officials when they return to the court before the start of the third quarter. What is the correct ruling?
  
- 2) Team A is awarded a throw-in near the division line. A1’s throw-in is deflected by B1; A2 jumps from the Team A’s frontcourt, catches the ball in the air and lands in the backcourt. Is this a backcourt violation? Why or why not?
