CAOA Board Change

Wednesday, June 27, 2018

CAOA Co-Basketball Director Mike Brya has been named the next Athletic Director at DeWitt High School. Congratulations to Mike, we all wish him well in his new position. I have no doubt that Mike is going to bring the same level of outstanding professionalism and attention to detail along with a passion and energy for high school sports to his new job as he did while serving the CAO for many years. Mike worked tirelessly to educate our basketball members and make each meeting informative and worth attending. We will all miss Mike on the CAO board but are excited to have an advocate for officials within the CAAC Athletic Director group. Thank you Mike!

With Mike leaving the CAO board, I am proud to announce that the new Co-Director of Basketball for the CAO is Marcel Miller. Marcel has continuously stepped up as a leader among CAO officials and is well on his way to a successful officiating career. I have no doubt that Marcel will bring a fresh perspective to the CAO Board and will continue to provide the high level training that our members are accustomed to receiving. Congratulations Marcel!

With these changes, the CAO Board now looks like this:

President, Jeff Spedoske

Vice President, Rob Stanaway

Treasurer, Eric Wills Sr.

Football Director, Mike Conlin

Co-Basketball Director, Justin Paluch

Co-Basketball Director, Marcel Miller
