

Capital Area Officials Association

November 28, 2016

Thursday, December 01, 2016

Below you will find the slides presented by Jeff Spedoske. Feel free to access the presentation and add it to your library of information to use during the 2016-17 basketball season.

There were many different take-a-ways from Jeff's talk... we're luck to have such a great basketball mind leading us into a new season. Thanks, Jeff!
